# ORDERING & DELIVERY INFORMATION

## ORDERING & CONTACT DETAILS

We prefer 48 hours notice but can often accommodate orders at shorter notice, always ask as we try to help wherever we can.

Please note that we are often finished in the kitchen by 3pm each day, if you have emailed us with a late order we would advise for you to call us first thing the following day to see if it's possible (as we may not be able to check our email until later in the morning and would hate to miss something!).

Please order with by phone or email **01223 881152** [katie@outtolunch-online.co.uk](mailto:katie@outtolunch-online.co.uk)

Our other menus can be viewed on our website [www.outtolunch-online.co.uk](http://www.outtolunch-online.co.uk)

**MINIMUM ORDER** - We ask for a minimum spend of £60 per order, if your order is under £60 this will incur a delivery charge of £10.00

Please note - All prices are shown exclusive of VAT

## DELIVERIES

When ordering we ask you to give us a 'required by' time so that we know the latest time you require your food by. As you can appreciate we often have to juggle many different lunch deliveries all in a short time frame, this may mean we deliver your lunch earlier than your required time. All of our food is best eaten at room temperature, rather than straight out of the fridge and is perfectly safe unrefrigerated for up to 4 hours.

If you have ordered hot food we'll aim to get to you as close to your 'required time' as possible.

Delivery charges are only valid for orders under our £60 minimum spend requirement or if the travelling distance is over 12 miles away from our kitchen.

## PAYMENT

We will invoice you by email (or your preferred method) after we have delivered your food. Please let us know any reference information (Purchase Order numbers etc) that you will need us to input on the invoice. The methods by which we accept payment are detailed on the bottom of the invoice and our preferred payment terms are 14 days.

## CANCELLATION POLICY

Cancellation of your booking will now be subject to a cancellation charge as follows:

2 days before - 25% of your total invoice will be charged

1 day before - 50% of your total invoice will be charged

On the day itself - 100% of your total invoice will be charged

## DIETARY REQUIREMENTS

We are able to cater for a whole range of dietary requirements and take a lot of pride in producing imaginative tasty plates of food for people, please just ask as we can pretty much do anything ☺ **NOTE:** We now have a surcharge of £1 per head for any dietary requirements (this covers both savoury & sweet lunch options)

**DON'T FORGET** we are incredibly flexible and more than happy to alter any menu to suit your requirements or come up with something completely bespoke... in addition to our Working Lunch menus we can provide your place of work (for clients or your team) with hot food, cold fork buffets, canapes, picnics, tea parties and more.....
